Jughead Hat

By Katrina Ray-Saulis

The Jughead Hat is knit from the top down, using short rows to create those signature points. The majority of the hat is in stockinette, while the garter to the points makes them stand out.

Gauge: 7 Stitches and 11 rows per 2" in stockinette

Supplies:

Worsted Weight Gray Yarn – (Peace Fleece in Rabbit Gray is a great choice!) I used 100 yards on mine.

Set of four size 8 double-pointed needles (or size needed to obtain gauge)

Alongside the dpns you could use a set of 16" size 8 circular needles (or size to obtain gauge)

1 stitch marker

Knit in stockinette until hat measures 8 inches from top to bottom or desired height. NOTE: At this point in the hat everything else you knit will be the folded points, so make sure the hat is as long as you want it to be before moving on! Hopefully, if you bound the hat off here it would fit you.

Bind off points:
